Qualification

A competitor must:

- Have flown at least 300 km cross-country in the last 12 months
- Have flown at least 300 km cross-country in 2025, on the type of sailplane competing in (Club Class only)
- Have flown at least 1000 km cross-country (for Mixed Class only)
- Have a valid SPL license
- Silver Badge
- Have a valid medical PART-MED license
- Acknowledge and understanding of the FAI Sporting Codes and the Rules and Procedures issued for the event

Due to safety reasons, the number of pilots competing in Club Class will be limited. Competitors will be admitted considering the following criteria: (1) total number of kilometers, (2) total number of kilometers in the last 12 months, (3) total flying hours experience, (4) date of sending of the Entry Form.

Weight limits

Maximum take-off mass must not exceed the maximum certified mass of the sailplane without water ballast and is limited by the lower value of: 1. maximum allowable weight of parts not generating lift plus weight of parts that generate lift (without any kind of a burden in the wings), or 2. maximum allowed take-off weight without water under the technical documentation (TCDS).

Insurance

Third party insurance - not excluding competitions - is required for each participating sailplane.

The required coverage must comply with EU Regulation 785/2004 which states the following limits:

• Certified MTOM < 500 kg Minimum Limit SDR 750 000

• Certified MTOM < 1000 kg Minimum Limit SDR 1 500 000

Personal medical insurance is suggested for all team members, covering accidents and sickness, including any local hospital costs and the costs of transport back to the team member's home country.
